### **Public Invited to Attend Workshop for West End Development**

The public is invited to attend a community workshop to provide input into the creation of a West End Master Plan in relation to the development of a stadium complex in the neighborhood. The architectural firm HOK with the assistance of the planning firm, Arnett, Muldrow & Associates LTD of Greenville will host the meetings at the Allen Temple Community Development Center, 404 Vardry Street on the evening of October 6 and throughout the day on October 7, 2003.

Sessions have been scheduled to address specific aspects of building a stadium in an urban neighborhood, focusing on the proposed baseball stadium, commercial and residential development opportunities and neighborhood enhancements. Two sessions have been scheduled to discuss neighborhood compatibility issues to accommodate peoples' work schedules. The public is invited to attend any session of interest. The schedule runs as follows.
